Would it be possible to add a horizontal canvas flip option as part of your project? In this yt vid the Gimp Painter 2.. After you add G'MIC to the plug-in directory, you can use the additional filters and effects it provides the next time you run GIMP.. It would be cool if GIMP could meet their needs I use a tablet plus artdock (autohotkey), which solves some of the KB short cut issues, but many programs are still cumbersome when using touch and pen technology.. We are working hard towards GIMP 2.6, the next stable release Much impact on the user experience but it is a first and important step forward.. By the time 2.10 is released the number of artists using tablets will probably be significant. 34bbb28f04 [تحميل ويندوز فيستا عربي مجاناً من رابط واحد بت](#)
